## **Purpose of Document**

This document is used to outline the detailed functionality from the business perspective.

## **Input Media**

{Text written in this space will describe Input Media, if applicable.}

## **Output Media**

{Text written in this space will describe Output Media, if applicable.}

## High-level Flowchart

Create a Visio overview flowchart and insert as an object.

**Business Requirement(s)** {Enter Requirement number here }

## Screen Design

### Screens

Replicate if multiple screens.

{Insert screen name }

{Insert screen image. }

Field Name	Database/File/Calculation

### Rules

**Identify new, changed or deleted fields on existing screens, if applicable.**

Include before and after screen prints.

### Field Definitions

Text written in this space will define field definitions.

### Edits/Business Rules

Text written in this space will discuss Edits/Business. Required on all new or modified fields.

**Valid Values**

Text written in this space will discuss new and modified Valid Values.

**Identify new, changed or deleted fields on existing screens, if applicable.**

Include before and after screen prints.

**Field Definitions**

Text written in this space will define field definitions.

**Edits/Business Rules**

Text written in this space will discuss Edits/Business. Required on all new or modified fields.

**Valid Values**

Text written in this space will discuss new and modified Valid Values.

**Business Requirement(s) {Enter Requirement number here }**

**Screens**

Replicate if multiple screens.

{Insert screen name }

{Insert screen image. }

Field Name	Database/File/Calculation

**Rules**

**Identify new, changed or deleted fields on existing screens, if applicable.**

Include before and after screen prints.

**Field Definitions**

Text written in this space will define field definitions.

**Edits/Business Rules**

Text written in this space will discuss Edits/Business. Required on all new or modified fields.

**Valid Values**

Text written in this space will discuss new and modified Valid Values.

**Business Requirement(s) {Enter Requirement number here }**

**Screens**

Replicate if multiple screens.

{Insert screen name }

{Insert screen image. }

Field Name	Database/File/Calculation

**Rules**

**Identify new, changed or deleted fields on existing screens, if applicable.**

Include before and after screen prints.

**Field Definitions**

Text written in this space will define field definitions.

**Edits/Business Rules**

Text written in this space will discuss Edits/Business. Required on all new or modified fields.

**Valid Values**

Text written in this space will discuss new and modified Valid Values.

## **Acknowledgement of Review**
